

# We achieved The Gold Seal of Approval<sup>®</sup> from The Joint Commission

## The Joint Commission's Mission

To continuously improve health care for the public, in collaboration with other stakeholders, by evaluating health care organizations and inspiring them to excel in providing safe and effective care of the highest quality and value.

## What does this mean?

## Accreditation and Certification

Achieving accreditation and/or certification means that our staff has made an extra effort to review and improve the key areas that can affect the quality and safety of your care, treatment or services.

Accreditation and certification by The Joint Commission are considered the gold standard in behavioral health care evaluation. Specially trained behavioral health care professionals who are experts in their fields visited this facility to conduct a review that monitors how well our staff:

- provide a safe environment for your care
- follow key policies and practices to improve care quality
- educate you about the risks and options for your care or
